

Enrolling in New Home Banking

1 - Go to <https://dsot.onlinecu.com/mecuokc/#/> and hit the **Enroll** button. (The website may take a moment to load)

The screenshot shows a 'Login' form with a 'Username' input field, a 'Remember Username' radio button, a green 'Log in' button, and a link that says 'Don't have an account? Enroll'. The 'Enroll' link is circled in blue.

2 - Enter your account number, email (this must be the email attached to your account), and date of birth. Check the disclosure box and click Sign Up.

The screenshot shows the 'Sign Up for Home Banking' page. It includes a note: 'You must currently be a member of this credit union to sign up for Home Banking, please enter your information below.' The form has fields for 'Member Number', 'E-mail', 'Confirm Email', and 'Date of Birth' (with a calendar icon and the date 03/01/2023). There is a checkbox for 'I acknowledge and agree I have read the terms of the HB Disclosure'. At the bottom are 'Sign Up' and 'Cancel' buttons.

3 - Once entered, you will be given this alert. Go to your email and use the temporary password to log in normally. Once logged in, it will ask you to change your password from the temp password.

✔ **Success!** ✕

A temporary password has been sent to your email address on file. You will be prompted to change this password upon logging in.

Note: Your member number is your Username.

Ok

[External Email] This email originated from outside of the company. Do not click links or open attachments unless you recognize the sender and know the content is safe.

This is an alert message from the Home Banking System.

Please logon and change your password.

Thank You
System Admin

4 – Change username so it does not contain your member number. Update and confirm new password.

5 - Set up your desired Security Questions. You can choose from an assortment of questions. We recommend making your answers all lowercase in order to better remember.

Security Questions

What is the name of your first pet? >

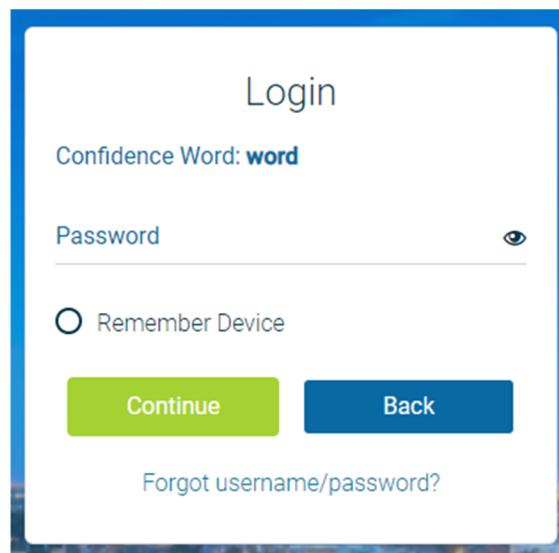

Where did you meet your spouse for the first time? >

In what year (YYYY) did you graduate from high school? >

Confidence Word

Also, choose a confidence word. (This word will always appear when logging in. If this word does not appear when logging in DO NOT PROCEED.)

Example of Confidence Word when logging in.

Login

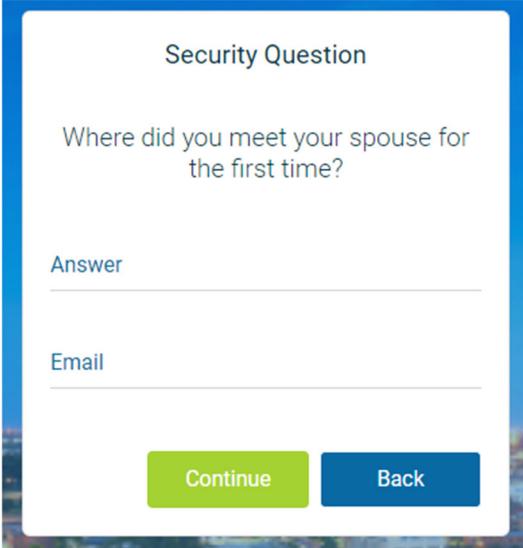

Confidence Word: **word**

Password

[Forgot username/password?](#)

Every time you login, after entering your password, you will be prompted to answer one of your security questions and to enter the email attached to the account.

A screenshot of a security question form. The title is "Security Question". The question is "Where did you meet your spouse for the first time?". Below the question are two input fields: "Answer" and "Email". At the bottom are two buttons: "Continue" (green) and "Back" (blue).

Once logged in, this is what you should see.

At the top of your screen, there is a toolbar. This toolbar includes Accounts, Transfers, Statements, and a More drop-down menu.
